Improved on a 9,299 SF RM-4 zoned lot, the entire building was stripped down to the studs, completely rebuilt and expanded by 2 additional storeys in 2013. Avesta Apartments features excellent curb appeal with a striking entrance highlighted by a West Coast designed timber trellis and beautiful landscaping.

Of the 22 large oversized units, 11 are one-bedrooms averaging 605 SF; 10 are two-bedrooms averaging 856 SF; and one is a two-bedroom & den totalling 1,180 SF.

The lobby is modern with metal benches and tasteful art work. The suites feature contemporary high-end suite design with new flooring, rebuilt kitchens and bathrooms, modern appliances (including in-suite laundry, microwaves and

dishwashers) and open concept floor plans with lots of natural light. Additional features include surface parking, secure storage for tenants (21 lockers), bicycle storage, balconies and electric heat paid by the tenants.

Avesta Apartments provides investors a worry-free building with professional property management in place and an unparalleled level of fit and finish.
